

PARTNERS FOR A CLEAN ENVIRONMENT

Fall 2007

STORMWATER NEWSLETTER

**H₂O Jo
Wants You!**

WANTED:

(For REWARDS!)

Stormwater "Heroes"

Co-workers or municipal employees who have implemented stormwater pollution prevention practices on the job. (Send us a photo or e-mail.)

Stormwater "Reporters"

Report illegal discharges to your community's Stormwater Department. (Send us photo or e-mail.)

Rewards: Gift certificates for coffee, restaurants, local businesses, and to be entered into a raffle for the **GRAND PRIZE of a \$100 gift certificate!!**

The Keep it Clean Partnership (KICP) and Partners for a Clean Environment (PACE) are launching the **Municipal Employee Recognition Program** by offering rewards to employees who have implemented a stormwater pollution prevention Best Management Practice (BMP), who have reported an illegal discharge in the field to their stormwater manager or who have attended stormwater training.

Call or e-mail us with your reports or nominations. Also, call us with any questions or concerns that you have on stormwater discharges.

Tip of the Month:

Check around your shop for oil or hazardous waste drums stored outside, not under cover or without secondary containment. This is a threatened discharge!

Partners For A Clean Environment

The PACE (Partners for A Clean Environment) program is a voluntary, non-regulatory program that offers free pollution prevention education and technical assistance to Boulder County businesses. The PACE Program also provides a Stormwater Certification Program for municipal operations within Boulder County and parts of Weld County. Stormwater pollution prevention certification criteria include implementation of both structural and non-structural Best Management Practices (BMPs) for various municipal operations.
